

## WD-001

Portable Waste Oil Drainers  
 Three Chambers

**SECTORS**  
 MINING

Perfect for taking out the old oil and conducting a quick change. Oil Temperatures at 70 – 80 °C can be sustained. The drainers operation works independently without constant compressed air attached

Article No.	Unit	RAS-43016	RAS-43024
Tank capacity	l	16	24
Noise Level	dB	75	75
Suction Hose	m	2	2
Max Draining Capacity	l	13	20
Max Tank Pressure	bar	6.5 - 7	6.5 - 7
Depressurization time	Min	1	1 – 1.5
Suction Capacity	l	9-10	15-16
Probes Sets	Art.	RAS – 45560	RAS – 45560
